

CONSENT TO PERSONAL DATA PROCESSING

Version of 15 October 2026

This is a translation for information. A buyer paying by SBP or a bank card issued in Russia gives this consent in Russian, under Russian law (<https://esimello.com/ru/consent>); if the two texts differ, the Russian one applies. Orders paid by an international card are covered by the [Privacy Policy](#) and need no separate consent.

By placing an Order on the website <https://esimello.com>, in the Telegram bot [@eSIMello_bot](#) or in the mini app opened from it, paying by the Faster Payments System (SBP) or a bank card issued in Russia, and ticking the box “I consent to the processing of my personal data”, I, freely, of my own will and in my own interest, consent to Binyaminov Boris Samsonovich (Russian taxpayer number 780111974601), the “Operator”, processing my personal data on the following terms.
